Employee needs update from the employee

Employees · https://paiyroll.com/kb/employee-needs-update-from-the-employee/

This message will be displayed if specific fields were omitted when the employee was added:

- Address line 1 or 2
- Employee statement (new starter form)
- NI number
- Bank details (if used)

The message is cleared by the employee:

- Log into their mobile account
- **My Details** to display the Update Employee view
- Complete the missing details
- Click **Update**
