Quickstart vs HMRC FPS Importer

Import · https://paiyroll.com/kb/quickstart-vs-hmrc-fps-importer/

This article explains the difference between the *simpler* **QuickStart** importer and the *full-featured* **HMRC FPS** Importer.

We suggest running **Quickstart once and** switching to the **HMRC FPS** importer thereafter. Use default values for any options you don’t need or are unsure of.

Features and Options	**Quickstart**	**HMRC FPS**
