Follow this quick guide if you are unable to view some pages correctly

1. Navigate to the **Pay Item Editor** or page which is not displaying correctly
2. **Hold down 3 keys** simultaneously for a hard reload:

- Windows: **Ctrl** **Shift** **R**
- MacOS: ⌘**Cmd** ⇧**Shift** **R**

3. **Wait** a few seconds until the browser has reloaded and the top active tab has stopped spinning before clicking anything else.
