Sage 50 FPS vs CSV Importers

Import · https://paiyroll.com/kb/sage-50-fps-vs-csv-importers/

This article explains the difference between the **FPS** importer and the **Sage CSV** Importer.

If in doubt, we recommend using the FPS importer first, as it offers the parallel run option.

Features and Options	**FPS Importer**	**Sage 50 Importer**
Parallel run by rewinding FPS YTD	Yes	No
Next pay run with YTD	Yes	Yes
Payments	Yes	No
